How Can Sourcewell Cooperative Buying Benefit You?

🏠 / Sourcewell for Cooperative Buying

Are you an educational, governmental or non-profit organization in need of sports scoreboards, marquee signs, or video displays? Sourcewell may be your solution!

Nevco partners with Sourcewell, formerly NJPA, which is a member-focused, public cooperative that streamlines the purchasing process and minimizes the hassle of the bidding process for schools, non-profits and other entities. Watch the video below to learn more.

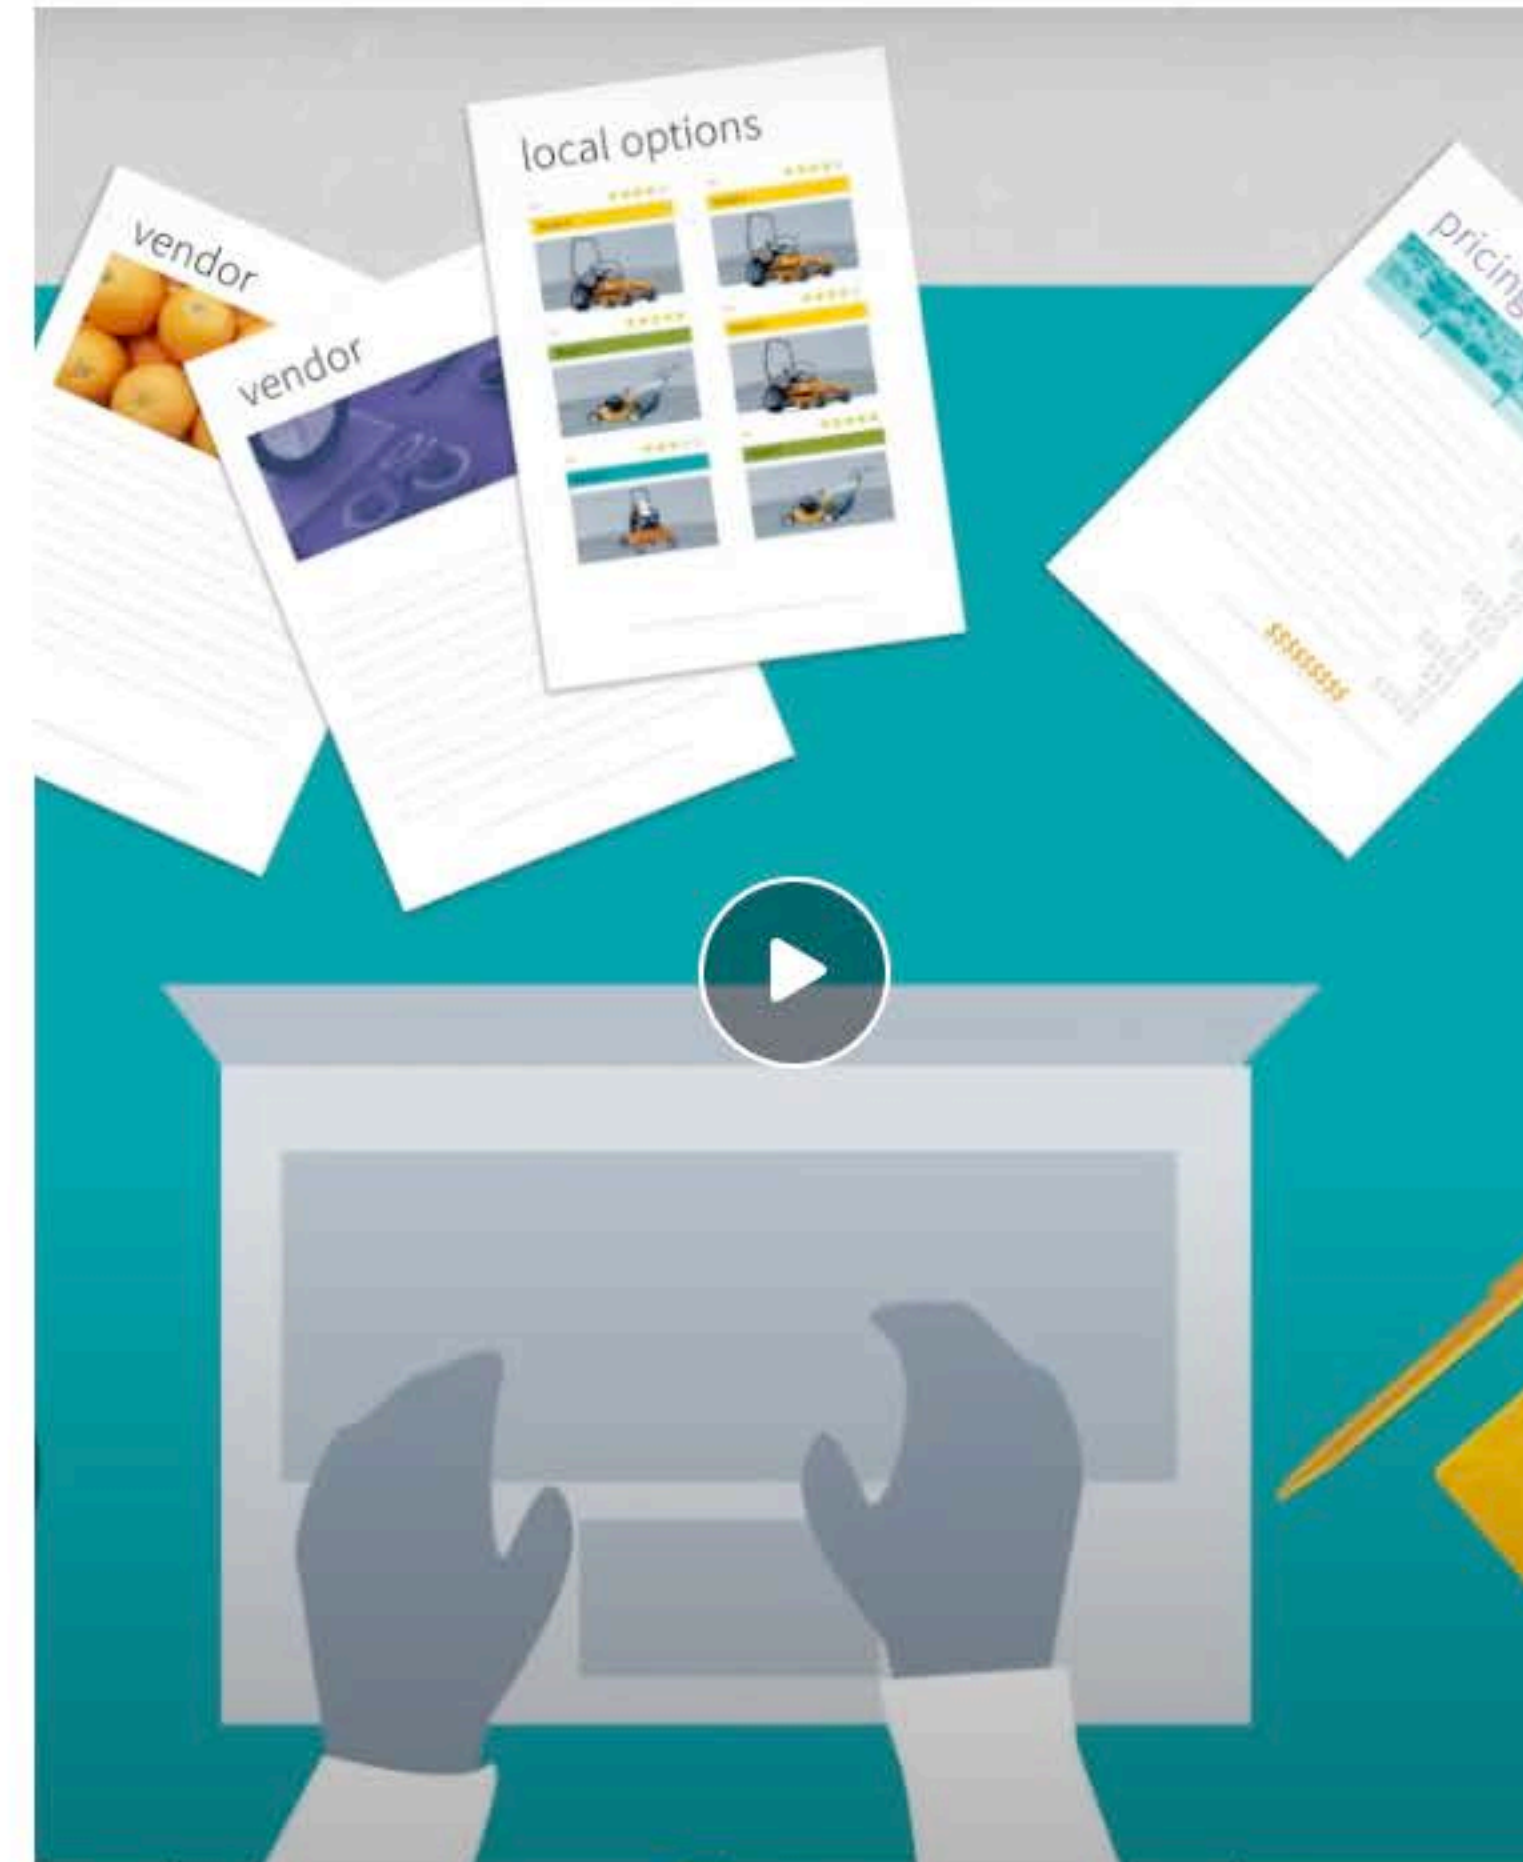

Sourcewell members from throughout the United States and Canada can take advantage of cooperative purchasing power by leveraging Sourcewell to legally purchase scoring and display equipment without having to request multiple bids.

In short, instead of your organization having to request multiple bids, Sourcewell legally does it for you—for free. They do this because they recognize that many organizations are often short on funds and staff, so Sourcewell streamlines the process to make it more efficient. Plus, they are able to leverage national buying power to negotiate pricing so that small organizations can often get discounts otherwise available only to larger entities.

Nevco is proud to be a Sourcewell partner. We have been rigorously vetted and approved to be Sourcewell's scoreboard, video display, and scoring solution provider throughout the United States and Canada.
