NOTES

Orders less than a full roll may be subject to upcharge, roll sizes vary

Mill overage, if required, will be added as a separate line item - overage requirements subject to change

Non-standard backing options may require minimums, overages, and specialty adhesives

Adhesive coverage varies depending on installation method and substrate

Quick Ship does not guarantee stock is available; however if available, products generally ship within 10 business days. Transit time to final destination TBD based on project location.

Estimated freight within the contiguous United States is included. Actual freight above and beyond estimated will be charged to the customer.

Additional labor & accessory options available on the labor pricelist.

Pricing excludes all sales or service taxes. Excludes California Carpet Stewardship Assessment Fees.

All pricing is subject to immediate increase without limitation in the event of tariffs or other charges.

NOTES

Full cartons required, Division 9 will round all orders up to the next full carton
Mill overage, if required, will be added as a separate line item - overage requirements subject to change
Non-standard backing options may require minimums, overages, and specialty adhesives
Adhesive coverage varies depending on installation method and substrate
Quick Ship does not guarantee stock is available; however if available, products generally ship within 10 business days. Transit time to final destination TBD based on project location.
Estimated freight within the contiguous United States is included. Actual freight above and beyond estimated will be charged to the customer.
Additional labor & accessory options available on the labor pricelist.
Pricing excludes all sales or service taxes. Excludes California Carpet Stewardship Assessment Fees.
All pricing is subject to immediate increase without limitation in the event of tariffs or other charges.

NOTES

All labor prices subject to minimum daily charges/minimum project sizes; variable based on the product type.

Labor rates include installation only and do not include sundries or adhesives unless specifically noted.

"Furnish & Install" systems include material, freight and installation however additional sundries, adhesives, accssories may be required.

All pricing is based on open areas that are clean and ready for install. Any work required to prep the floor and get it to "ready to install" will be above and beyond quoted install rates.

All pricing is based on Monday - Friday during standard working hours (based on the local labor partners operating hours). Outside of those hours are subject to overtime/doubletime or holiday rates.

Furniture moving and LIFT installation rates are approximate and will be quoted on a per-project basis. All personal items and electronics are to be removed from the premise or secured in boxes provided by customer (excluded from rate above).

Demo rates listed exclude equipment rental if required.

Delivery of materials to a jobsite requires a loading dock with forklift/pallet jack. Pricing excludes non-standard material movements including jobsite direct delivery, hoisting, hand carrying, etc.

Supplemental benefits to be used if prevailing wage rates exceed listed labor rates.

All pricing subject to escalation.

Pricing excludes all sales or service taxes. Excludes California Carpet Stewardship Assessment Fees.
