

ALTERNATIVE SERVICE FOR STUDENTS WITH SPECIAL TRANSPORTATION NEEDS

What is a cooperative purchasing agreement and what does this mean for you?

A cooperative purchasing agreement can be used to obtain services and contracts in an economically beneficial way. In First Student's case, that contract is for alternative transportation services. Utilizing a cooperative lowers the overall cost of contracting by saving time and money on the procurement process since the work has already been done by a publicly entity.

First Student Contract Highlights

First Student's alternative transportation division, FirstAlt, provides districts services for students with special transportation needs: Students with Special Needs, McKinney-Vento Students, Out of District Students and Trips that are Hard-to-Serve Trips.

- FirstAlt utilizes a fleet of small capacity vehicles from existing local transportation companies that are expertly operated and maintained
- FirstAlt confirms that all transportation providers and their drivers have met all FirstAlt, state, local, and district requirements before they can service trips
- FirstAlt ensures all students get to school safely and on time in the hands of caring, consistent drivers
- FirstAlt developed custom technology specifically designed for alternative transportation and its unique challenges
